

WHAT A LITTLE MOONLIGHT CAN DO

Ooh, what a little moonlight can do

Ooh, what a little moonlight can do to you

You in love
Your hearts a fluttering
And all day long you only shutter
'cause you
Just throw that out of the way I love you

Ooh, what a little moonlight can do
Wait a while
'till the little moonbeams comes peepin' through
He'll get bored
You can't resist him
All you'll say
When you kissed him is
Ooh, what a little moonlight can do

More Than You Know

Even though your friends forsake you
Even though you don't succeed
Wouldn't I be glad to take you
And give you the break you need!

More than you know, more than you know
Man of my heart, I love you so
Lately I find, you're on my mind
More than you know!

Whether you're right
Whether you're wrong
Man of my heart, I'll string along
I need you so, more than you'll ever know!

Loving you the way that I do
There's nothing I can do about it
Loving may be all that you can give
But darling I can't live without it!

Hmmm . . . oh, how I'd cry
Oh, how I'd cry
If you got tired and said goodbye
More than I'd show
More than you'd ever know!

SOLITUDE

In my solitude
You hurt me
With dreadful ease
Of days gone by

In my solitude
You taunt me
With memories
That never die

I sit in my chair
And filled with despair
There's no one could be so sad
With gloom everywhere
I sit and I stare
I know that I'll soon go mad

In my solitude
I'm afraid
Dear Lord above
Send back my love

STRANGE FRUIT

Southern trees bear strange fruit,
Blood on the leaves and blood at the root,
Black bodies swinging in the southern breeze,
Strange fruit hanging from the poplar trees.

Pastoral scene of the gallant south,
The bulging eyes and the twisted mouth,
Scent of magnolias, sweet and fresh,
Then the sudden smell of burning flesh.

Here is fruit for the crows to pluck,
For the rain to gather, for the wind to suck,
For the sun to rot, for the trees to drop,
Here is a strange and bitter fruit.

ON THE SUNNY SIDE OF THE STREET

Grab your coat and get your hat
Leave your worry on the doorstep
Just direct your feet
On the sunny side of the street

Can't you hear a pitter-pat
And that happy tune is your step
Life can be so sweet
On the sunny side of the street

I used to walk in the shade with my blues on
parade
But now I'm not afraid... This rover done
crossed over

If I never have a cent
I'd be rich as Rockefeller
Gold dust at my feet
On the sunny side of the street

I COVER THE WATERFRONT

I cover the waterfront
I'm watching the sea
Will the one I love be coming back to me?

I cover the waterfront
In search of my love
And I'm covered by a starlit sky above

Here am I patiently waiting, hoping and longing
Oh, how I yearn!
Where are you?
Are you forgetting?
Will you remember?
Will you return?

I cover the waterfront
I'm watching the sea
Will the one I love be coming back to me
Will the one I love be coming back to me

EASY LIVING

Living for you is easy living
It's easy to live when you're in love
And I'm so in love
There is nothing in life but you
I never regret the years I'm giving
They're easy to give when you're in love
I'm happy to do whatever I do for you
For you maybe I'm a fool
But it's fun

People say you rule me with one wave of your
hand
Darling, it's grand
They just don't understand
Living for you is easy living
It's easy to live when you're in love
And I'm so in love
There's nothing in life but you

NO MORE

You ain't gonna bother me no more
Nohow
Love goes just so far
No more

Woke up this mornin' and found
I didn't care for you no more
Nohow
Never felt so good before
You're down to my size

It's over and done
So honey, step down from your throne
That look in your eyes
Don't bother me none
Can take or leave you alone
From my window

Skys ain't grey no more
Not now
Here's the day
That I've been waiting for
Got only one heart
One heart with no spares
Must save it for loving
Somebody who cares
So you ain't gonna bother me
No more, no more

DON'T EXPLAIN

Hush now, don't explain
Just say you'll remain
Unless you're mad,
Don't explain

My love, don't explain
What is there to gain?
Skip that lipstick
Don't explain

You know that I love you
And what love does
All my thoughts are of you
For I'm so completely yours

Try to hear folks chatter
And I know you cheat
Right or wrong don't matter
When you're with me, sweet

Hush now, don't explain
You're my joy and pain
My life's yours love
Don't explain

YESTERDAYS

Yesterdays, yesterdays
Days I knew as happy sweet
Sequestered days
Olden days, golden days
Days of mad romance and love

Then gay youth was mine, truth was mine
Joyous free and safe in life
Then truth was mine
Sad am I, glad am I
For today I'm dreaming of yesterdays

Yesterdays, yesterdays
Days I knew as half as sweet
Sequestered days
Olden days, golden days
Days of mad romance and love

Loft and gay youth was mine, truth was mine
Joyous free and safe in life,
Then truth was mine
Sad am I, glad am I
For today I'm dreamin' of yesterdays
Yesterdays

LOVER COME BACK TO ME

The sky was blue
And high above
The moon was new
And so was love
This eager heart of mine was singing
Lover where can you be
You came at last
Love had its day
That day is past
You've gone away
This aching heart of mine is singing
Lover come back to me
When I remember every little thing

You used to do
I grow lonely
Every road I walk along
I walk along with you
No wonder I am lonely
The sky was blue
The night was cold
The moon was new
But love was old
And while I'm waiting here
This heart of mine is singing
Lover come back to me

I'LL BE SEEING YOU

I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day through
In that small cafe
The park across the way
The children carrousel
The chestnut trees
The wishing well

I'll be seeing you
In every lovely summer's day
In everything that's light and gay
I'll always think of you that way

I'll find in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you

I'll be seeing you
In every lovely summer's day
In everything that's light and gay
I'll always think of you that way

I'll find in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you
